SLOANE 0 to 1

ALL MY EXPRESSIONS

On March 12, 2011, **SLOANE LOCKINGTON**, our first grandchild was born. Jamie and Jules were of course delighted with their wonderful little girl. Their lives would be changed forever as were ours. From the first time we saw her in the neo natal unit at SouthLake Hospital, she captured our hearts with what was very evidently an independent and determined personality . Almost a year later, that initial assessment of our new granddaughter has proven to be very accurate. She has become a constant joy to us, her doting grandmother and very proud grandfather , who of course is quite taken by the fact that Sloane has taken an instant interest in photography, at least in playing to the camera.

It is hard to believe that her first birthday is already upon us. Fortunately, we have a few pictures and we thought you might enjoy this book in a few years Sloane when you look back and ask your Mom and Dad what that first year was really like. You have become a favorite subject for Papa Bill (he will talk to you about what you want to call him when the time is right but for now that will be just fine) and his best portrait study. We have enjoyed seeing you change and grow and especially to see and anticipate your many expressions. This little book is all about some of those expressions. We hope you will enjoy it.

HAPPY 1st BIRTHDAY SLOANE

Your Papa Bill and Granma Gail
